Step 1:

Go to <https://bob.eco>

You will see the landing page visible below, click on buy/sell BOBC to go login to your STO-CAP wallet environment.

The screenshot shows the Bob Eco website landing page. At the top, there is a navigation bar with the Bob Eco logo, a price ticker for BOBC at \$2,374.4 with a 1.35% increase, and a 'Buy/Sell BOBC' button. A red arrow points to this button. The main content area features a central video player titled 'Bob Eco | Bobcoin - Business Concept' showing two people on a motorcycle. To the left is a sidebar with BOBC details: Type: ICO-WA, Price: \$2,374.4, Max. Supply: 1,000,000,000, FD Market Cap: \$2,374,355,420.09, CS Market Cap: n/a, and Balance value: \$2,374,355,420.09. To the right is a 'Bob Eco Motorcycle' listing with details like 'Type: Jincheng - Suzuki', 'Countries: 7', 'Daily rides: 76,476', 'Motorcycles: 110,992', and 'Jobs created: 415,078'. A 'Latest News' section is at the bottom with several article thumbnails.

Step 2: IMPORTANT!

Click on the purple button with "Evorich Login" to go to your special Evorich STO-Cap page.

The screenshot shows the STO-CAP login page. It features the STO-CAP logo at the top. The main heading is 'Create your Crypto wallet.' Below this are input fields for 'Email Address' and 'Private Key'. There is a 'Remember Me' checkbox and a 'Forgot private key?' link. An orange 'Sign In' button is present. At the bottom, there is a link 'Don't have an account? Sign up here' and a purple 'Evorich login' button. A red arrow points to this purple button.

Step 3:

On the current page, click on:

Forgot private key?

Step 4:

Fill out your email (the email address you used for your Evorich account), then press Send reset link.

Step 5a, Result Positive

Congratulations, you will now receive an email to reset your STO-Cap account password. Continue to step 6.

Step 5b, Result Negative

Too bad, something must have gone wrong! Please check whether the email address is the same as the one in the Evorich system and verify whether there are no spelling mistakes.

Step 6:

Go to your mailbox and click reset password.

Step 7:

Fill out your email and choose a new password, then click **Reset private key**.
